PROJECTS

TaskMaster

Independent Project

📅 Apr 2026 📍 Sydney, AU

- **Designed** and **developed** a cross-platform mobile application using **React Native** and **TypeScript** to optimize personal organization.
- **Implemented** local data persistence and a streamlined user interface focusing on UX best practices.
- **Utilized** Expo for rapid development and testing across iOS and Android devices.

Just a Sec

Independent Project

📅 Sep 2025 – Dec 2025 📍 Sydney, AU

- **Engineered** a native iOS utility app using **Swift** and **SwiftUI** to manage time-sensitive reminders.
- **Optimized** local notification triggers to ensure high reliability and minimal battery impact.

CraftRunner

Independent Project

📅 Sep 2025 – Dec 2025 📍 Sydney, AU

- **Developed** an engaging Android-based mobile game using **Kotlin**, focusing on smooth performance and responsive controls.
- **Integrated** custom spawning logic and dynamic UI elements to enhance player engagement.

EXPERIENCE

Customer Service & Operations

Café Bones

📅 Oct 2023 – Jan 2024 📍 Sydney, AU

- **Facilitated** high-volume interactions (100+ patrons daily), maintaining a **98% satisfaction rate**.
- **Managed** daily operational tasks and financial transactions with high reliability and detail.

Pet Care Specialist & Client Coordinator

Tassevärld

📅 Jan 2023 – June 2023 📍 Stockholm, SWE

- **Managed** client relations and customized care plans while maintaining detailed logs of specific dietary and behavioral requirements.

Administrative Assistant

Jobbtorg

📅 June 2020 – July 2020 📍 Stockholm, SWE

- **Updated** instructional materials and demonstrated proactivity by independently organizing office resources.

KEY ACHIEVEMENTS

Analytical Speed

Winner of a mathematics competition with a 0.47s reaction speed, demonstrating rapid logic processing under pressure.

Full-Stack Versatility

Developed end-to-end mobile solutions, managing both front-end UI and back-end logic across Swift, Kotlin, and React Native.

Proactive Solutionist

A high-reliability "go-to" person for complex technical and communication challenges. Proven ability to pivot through multiple solutions until 100% resolution is achieved.

STRENGTHS

Detail-Oriented & Patient

Problem Solver

Fast Learner

User-Centric Design (UX)

Cross-Platform Development

Agile Mindset

LANGUAGES

Swedish

English

EDUCATION

B.I.T. in Mobile App Development

Academy of Interactive Technology

📅 Sep 2023 – Aug 2026

High School Diploma

Nacka Gymnasium

📅 Aug 2019 – April 2023
